ELIS SEIS - Public Mtg 6 - TRANSCRIPT (Draft2)JB cmmts (20Jan13) .docx

Hi Bernward,

Here are my additional comments on the draft transcript.

What does it mean when the stenographer puts the “__” in the sentence? Did I pause?

It looks like they had a hard time hearing me for some of the sections.

Anyway, this should be ready to send out

Hi Jeannie,

Attached is the second draft of the transcript from New London meeting. It has been reviewed by Frank, Grant and me, confirming with the audio recording. Please advise if you have any additional comments; if so please use track changes. If you are all set, I will have the stenographer provide me with the final signed transcript copy. You can have the Public Meeting report two days thereafter.

Thanks,

Bernard

Hi, (John Brandon, Jeff Sanders <jeffsanders@huseby.com>

Thank you for the revised transcripts. Unfortunately, there were several identified edits which did not get transferred into the revised draft. I identified them again in track-changes and also flagged them. Please revise the second draft accordingly and return it to me. I hope this can be done in one or two days, as this document needs to go to the Client; please confirm.

Thanks,

Bernward.
